

TABLES

swap

It's a simple thing done right

Swap tables™ – the right proportions, flawless surfaces and a solid foundation. Squares or rounds at the floor with integrated leveling. All the popular sizes and more. Seven heights and a great selection of laminates.

Front to back: Tables shown with Designer White top and Designer White base; with Designer White top and Chrome base; and with Designer White top and Brushed Chrome base. Duet seating shown.

Swap table bases are available in Chrome, Brushed Chrome and three durable, powder-coated Sandtex finishes. Larger tops and multiple bases configure for meeting and conference tables. It's the table program that is sure to become your favorite spec.

Additional information can be found on the Global [website](#).

Coffee and laptop tables, in a range of popular sizes, extend the Swap series for use in a wide range of lounge and reception spaces.

Coffee and laptop tables shown in Walnut Heights with Chrome base. Drift seating shown.

Table for one, please

Swap laptop tables provide enough surface to put a laptop, tablet or a coffee and a croissant. Square base models are available with an offset column for extra legroom.

Additional information can be found on the Global [website](#).

The new lounge height

There are times when a 29 inch high table is a little too high to be comfortable. Lounge height Swap tables provide a finished height of 27 inches to better support occasional, lounge and banquet seating applications.

Table shown with Black top and Chrome base. River+ seating shown.
