A closer look

Locks

Locks are optional and provide extra security for personal belongings.

Drawer Liner

Optional high impact polystyrene drawer liner is removable for room transfer and cleaning.

Drawer Slides

Full extension ball bearing drawer slides are constructed using high quality precision steel. The optional soft close drawer slide ensures an easy and quiet closing motion.

Handles

Arc style handles provide easy access to personal belongings. Radius design with smooth Tungsten finish is standard.

Doors

Commercial quality 110° door hinges.

Tops

Standard 1" thermally fused laminate tops with 3mm PVC edge are field replaceable. PVC edge on the tops, gables, drawers and door fronts provide peace of mind for greater long term performance. Optional Corian tops provide enhanced durability and cleanability when required. High pressure laminate and thermofoil tops are also available upon request.

Drawers

6" high drawer box provides ample storage capacity.

Ventilation

Cut-outs with grommets in the back for ventilation reduce odors and bacterial growth.

Legs/Bases

Available with three base options, Tungsten metal legs, casters and plinth base. All are interchangeable in the field.
