## Changing it up

Change is the constant that each new generation brings to the table. Drift™ seating inspires people to come together with new ideas, new priorities and new ways of thinking. The series features lounge and side chairs in multiple back heights with wood or Polished Chrome bases. The 'pouf' stool is a quick way to expand the conversation or put your feet up.

Seating shown in Maharam Houndstooth, Umber and ArcCom Hush, Mist.

---

## Wood base lounge models

Low back lounge chair

High back lounge chair

Mid back lounge chair

Drift lounge chairs welcome relaxed conversations between colleagues and quiet moments away from a busy schedule. Available in three back heights and a beechwood base in a wide range of finishes.

---

## Chrome base lounge models

Low back lounge chair

High back lounge chair

Mid back lounge chair

For a truly classic look and a little more polish, a chrome base highlights Drift's finely tailored upholstery and soft contours.

Additional information can be found on the Global [website](#).

---

## Side chair models

Wooden four-prong swivel base

Metal four-prong swivel base

Wooden four-legged fixed base

Carry Drift into any application where you need to focus on work or sit upright. Side chairs are available in two beech wood base options or a Polished Chrome base in fixed and swivel options.

---

## The 'pouf' stool

An easy way to bring more people into the conversation. The weighted 'pouf' stools can be used as a perch at workstations, a makeshift side table, or an ottoman to pair up with the Drift lounge chair.

Shown in Arc-Com Hush, Mist and Knoll Felt, Canary.
