

Seating Series

Frolick™, Splash™ & Curtsy™

GLOBALcare
Quality of Life Products™

Multipurpose seating for healthcare environments.

GC3001
Frolick Four Legged Stacking Armchair.
Rectangular shaped back.

GC3011
Splash Four Legged Stacking Armchair.
Fan shaped back.

GC3008
Curtsy Four Legged Stacking Armchair.
Arch shaped back.

Your choice of three back shapes and two bases.

Frolick, Splash and Curtsy are perfect multipurpose chairs specifically designed to meet the many seating challenges within the healthcare environment. All three chairs have a light scale, yet heavy duty reinforced gusseted frame that creates a strong and durable solution.

The leg curvature is styled to ensure stability. Each chair includes wallsaver rear legs which prevents the chair back from damaging walls. Flat profile armrests extend to the front of the seat for ease of grip and movement in and out of the chair. Each model

offers a unique back style and seat design providing individual benefits for a variety of applications.

Clients who need to respond to greater requirements for house-keeping and infection control have the option of adding an additional moisture barrier and/or heat sealed seams. In mental health areas where protection against hiding contraband or the need for greater safety is required, tamper proof fasteners, additional weight and/or completely sealed seat and back cushions are available on all three series.

GC3001
Frolick Four Legged Stacking Armchair. Rectangular shaped back.

GC3033
Frolick Bariatric Four Legged Stacking Armchair. Rectangular shaped back.

Select Frolick models are designed with a lower portion back panel that covers the support brackets. Back upholstery features a continuous border on the sides.

Select Frolick models are designed with a single piece back, with a pull-over cover upholstery, and back support brackets fastened to the outside back.

Seat cushions, on all models, offer 1.5" Ultracell high density and highly resilient Ultracell Bio Foam. Frolick seat upholstery features a continuous border on the sides.

GC3011
Splash Four Legged Stacking Armchair. Fan shaped back.

GC3012
Splash Four Legged Stacking Sidechair. Fan shaped back.

Splash fan shaped back design features a two piece upholstery solution allowing the support brackets to be concealed.

Compound curved seat cushion is constructed from high density, highly resilient Ultracell Bio Foam.

GC3008
Curtsy Four Legged Stacking Armchair. Arch shaped back.

GC3019
Curtsy Sled Base Sidechair. Arch shaped back.

Curtsy arch shaped back with single piece back, pull-over cover upholstery and back support brackets fastened to the outside back.

Compound curved seat cushion is constructed from high density, highly resilient Ultracell Bio Foam.

Seat Widths

Regular Seat
19"

Bariatric Seat
31.5"

Active weight capacity for standard size models is up to 300lbs. Frolick Bariatric models accommodate up to 500lbs.

Features

Protective Platinum color seat shroud is standard on underside of regular size seat models.

Underside of seat surface can be completely sealed with no seat shroud (select models).

Front and back legs are curved, creating greater stability and a wall saver frame feature.

GC3010

Common Dolly is available for standard size models. Allows all four legged and standard armless sled base chairs to stack eight high.

Armrests are standard in Black, Platinum or Toast.

Heavy duty frame available: Black (BLK), Tungsten (TUN), Platinum (PLT) and Toast (TOA).

Standard glides and end caps available in Platinum (PLT). Black (BLK) frame comes standard with Black glides and end caps.
