Granada™

Granada, the ideal, full-function, cost-effective computer chair.

3217 High Back Multi-Tilter with height adjustable "T" arms (3N), shown in Mayer Jumpin Jacks, Aquamarine (YF47).

3212 Low Back Multi-Tilter with height adjustable "T" arms (3N), shown in Mayer Jumpin Jacks, Aquamarine (YF47).

Simply put, Granada makes the work day feel better. Choose from high back or low back models, a sophisticated mechanism or a simple task chair, adjustable lumbar support and matching guest chairs or stools.

In today's computer intensive environments good seating is essential and Granada meets the challenge. Granada's ergonomic design helps to ensure the user's arms, wrists, back, seat and legs are supported properly and comfortably.

Granada™

Select models feature an easily adjustable lumbar support which allows users to choose their desired level of comfort throughout the day. By supporting the upper body, SCHUKRA lumbar adjustment

helps to alleviate neck and shoulder tension. An easy to use handle on the chair back increases and decreases the curvature of the lumbar support to achieve the desired level of comfort.
