

Granada Deluxe™

Granada Deluxe™

Granada Deluxe. Style, adjustability and a unique lumbar support.

Granada Deluxe seating is the next generation of comfort and support. Global has revisited its famous current Granada series giving it a more contoured shape, with slightly larger seat and back, more heavily padded cushions and with a new modern arm pad design.

Granada Deluxe has the largest back/lumbar height adjustment range in our industry (5¼") ensuring you can get the support exactly where you need it.

1170-2 High Back Synchro Knee-Tilter in Luxhide, Black (BL20) with Black base. Leather and Vinyl models feature additional stitch details.

1171-3 Medium Back Multi-Tilter in Momentum, Mime Azure (MI74) with Black base.

Width adjustable "T" arms with soft touch self-skinned urethane armcap (3B).

Height adjustable "T" arms are standard on task seating for effective arm support.

Height adjustable back/lumbar support.

Adjustable seat depth is standard on multi-tilter models and optional on knee-tilters.

Granada Deluxe™

Granada Deluxe features a new Soft Descent pneumatic cylinder lift that allows you to gently lower the chair to exactly the right seat height, without any shock to your spine (a Global exclusive).

Select models feature a Schukra depth adjustable lumbar support allowing each user to adjust the curvature of the back to exactly match their body and support requirements. Granada Deluxe will likely be the most comfortable sitting experience you have ever had.

1171-5 Medium Back Operator Chair in Momentum, Mime Azure (MI74) with Black base.

1178-5 Operator Stool in Momentum, Mime Azure (MI74) with Black frame.

All Granada Deluxe models feature contoured seats with waterfall edges.

Schukra lumbar support is adjustable in and out horizontally to suit users needs and comfort requirements.

Leather and Vinyl models feature additional stitch details.

Optional Polished Aluminium (ALU) base with Black end guards.

Granada Deluxe™

Granada Deluxe Multi-shift HD 24 HR Multi-tilters.

Granada Deluxe 24 HR models are constructed with heavy duty components for multiple users who will occupy the chairs up to seven days a week, three shifts a day.

Intended for active users up to 350 lbs, these rugged chairs are truly intended to stand the test of time in intensive use work environments.

TS1170-3 High Back 24 HR Multi-Tilter HD in Momentum, Candid Sand (YZ19) with Black base.

TS1191-3 Medium Back 24 HR Multi-Tilter HD with Schukra in Momentum, Candid Sand (YZ19) with Black frame.

Seat cushion is made with Ultracell high density (HD) and high resilient (HR) foam.

Clear, protective edge bumper all around perimeter of back to prevent damage from impact with other furniture.

Heavy duty tilt tension control provides customizable tilt resistance for individuals who weigh up to 350lbs.

Standard base is made from reinforced nylon with carpet casters.

Granada Deluxe™
