

TABLES

ZOO K

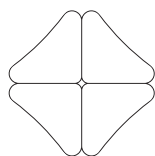

Zook adapts to active learning

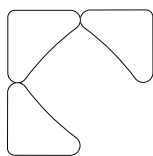

The Zook™ table series accommodates the needs of today's active learning environments. Versatile group, pod, activity and flip-top tables create a range of configurations that enable students to work independently or collectively. Zook provides a foundation for the modern classroom, where inspired learners can connect, discuss and exchange new ideas.

Learn better together. Zook group tables support four and six person teams with optional power and data management at the table surface to meet technological needs. Choose from a selection of laminate finish options.

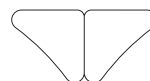

The versatile learning space

ZKP001 large pod tables, set of 4
ZKP004 as above, with casters

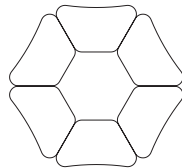

ZKP009 large pod tables, set of 3

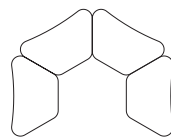

ZKP007 large pod tables, set of 2

Zook pod tables transition easily from independent study to collaborative work. Move the tables apart for lectures and exams; bring them together to encourage conversations. The large pod table model is designed to support right, left and forward facing positions, including an optional contoured edge for extra comfort. Available with optional locking casters or ADA compliant models, Zook pod tables provide flexibility in any learning space.

Responds to dynamic learners

ZKP003 medium pod tables, set of 6
ZKP006 as above, with casters

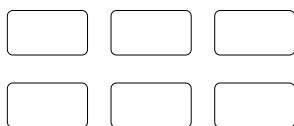

ZKP011 medium pod tables, set of 4

Zook responds to the ways students learn today. From traditional lectures to breakout sessions and roundtable discussions, pod tables can be configured to accommodate a range of teaching and learning styles. Pair Zook tables with the wide range of complementary seating options designed by Global for educational environments.

Additional information can be found on the Global [website](#).

Discover the details

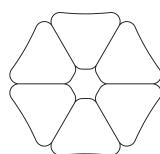

ZKP012 rectangular tables, set of 6

Personalize Zook tables with an array of table top, edge and leg color options. Choose from a selection of thermally fused and high pressure laminate worksurfaces. Available in up to four complementary leg finishes.

Lasting performance

ZKP008 small pod tables, set of 5

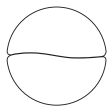

ZKP002 small pod tables, set of 6
ZKP005 as above, with casters

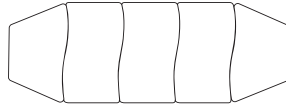

ZKP010 small pod tables, set of 3

Zook tables are made to last. Manufactured in North America and backed by Global's Lifetime Warranty, Zook withstands continuous use in active learning environments. The series is Greenguard certified as part of Global's commitment towards LEED building status and a better environment.

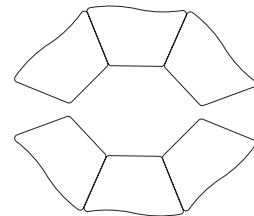

The active classroom

2 ZK54RNDCL curved half round tables

2 ZK54HEXCL curved half hex tables and 3 ZK54WAVCL wave tables

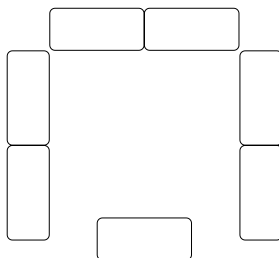

6 ZK54HEXCL curved half hex tables

Zook activity tables are available in three shapes all based on a 54" wide surface. The wave and straight profiles on one or more sides of the tables enable all three shapes to be quickly combined in both small and large configurations as the classroom dynamic changes. Zook activity tables are available with leveling glides or on casters for increased mobility.

Additional information can be found on the Global [website](#).

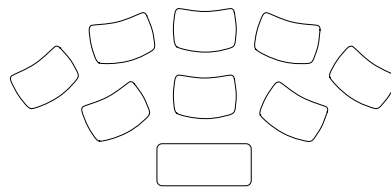

Set it up and mix it up quickly

7 ZKFR6024 flip-top tables, rectangular top
and 7 ZKFTM60 modesty panels

Zook flip-top tables quickly and easily transition any space into an active learning space. They are available in single and double widths and share a 24" depth for modularity. Locking casters are standard and a modesty panel is optional. Finish palette and edge details coordinate with other Zook products to provide an integrated 'one spec' solution across the learning environment.

Connect and engage anywhere

8 ZKFC3022 flip-top tables, contoured top and
1 ZKFR6024 flip-top table, rectangular top
with 8 ZKFTM30, 1 ZKFTM60 modesty panels

Zook flip-top tables for individual use can transform any space into a smart place for students and educators to connect and engage. Space them, arrange them, group them; standard with casters to provide the flexibility you need when the learning dynamic changes. The space-saving design allows you to nest and store tables with only 5.25" added to the overall footprint for each table.

It's in the details
