# Whatever the weather

Spyker™ is a refined, high quality and lightweight stacking chair that can be used both indoors and out. Spyker armchairs don't skimp on size and are comfortable enough for hours of people watching, or a long overdue catch up with a friend.

Armchairs shown in Alloy, Char and Turtledove\*.

## Low maintenance

Spyker is a versatile chair constructed from a durable, UV stable and stain resistant polymer that cleans up quickly. The fully perforated one-piece seat and back drains away the rain on wet days and helps keep you cool when the sun is shining.

Additional information can be found on the Global [website](#).

# Features and options

## Standard colors

## Special order\*

\*Minimum quantity order and lead time apply.

Colors are as close to actual materials as current printing techniques will allow. Spyker achieves its strength and durability using glass filled polymer. Evidence of this material may be visible on the surface and is often more evident in darker colors. If you need an actual sample, please contact your local sales representative or marketing/literature department at one of the addresses below.
